CONCERT TRAVEL EXPERIENCES

# Music Fit For A King!

## Hampton Court Palace Festival

What setting could be more idyllic than the 16th century grounds of Hampton Court Palace? Every June since 1993, this historic venue hosts a variety of artists from across the musical spectrum. On a balmy summer's evening, you can take in an al fresco concert, with past performers including Kylie, Chic and Andrea Bocelli. Next year's event will feature Lionel Richie and Bastille, amongst others. To really elevate the experience, why not enjoy a Fortnum & Mason deluxe picnic hamper or opt for your own luxury waterfront gazebo? Or choose the VIP Package which includes a champagne reception and three-course meal in royal surroundings, as well as superb seats. As an extra special touch, the last night of the festival features a fireworks finale to close out in style.

Hampton Court Palace is in greater London and conveniently reachable from the centre of the capital. From here, a whole host of activities is within reach. You can enjoy some retail therapy on Oxford Street, gaze across the Thames at the Houses of Parliament, even take in a football match at one of the London grounds or see a West End show. The only problem you'll have is deciding what to fit in! Capeseven are here to help with all your arrangements, from travel to accommodation, attractions, tickets and more.
